	8a. Natural Capital Accounting I: Can Nature's Valuation Save the Planet?	Lijsterbes		15a. The Production and use of citizen science and academic knowledge in political grassroots movements I	Boomgaardzaal		29. The vitality of food in Latin America: a book launch	Bosrandzaal
15:30 – 16:00	Coffee/Tea		15:30 – 16:00	Coffee/Tea		15:30 – 16:00	Coffee/Tea	
<a href="#">16:00 – 17:30 3<sup>rd</sup> parallel sessions</a>	1c. Valuing Life III: Lively Encounters, Ethics of Care and Value Regimes	Bosrandzaal	<a href="#">16:00 – 17:30 6<sup>th</sup> parallel sessions</a>	16. Value in the Urban Sphere	Arboretum	<a href="#">16:00 – 17:30</a>	<b>Plenary closing session: Mole ethnography</b>	Bosrandzaal
	9. Data, Value and Life: New ways of measuring progress and prosperity	Arboretum		17. Space/time dimensions of value	Meidoornzaal			
	7b. Diverse economies II: food and rural development	Boomgaardzaal		18. Film screening: Conflict conservation cinema	Bosrandzaal			
	8b. Natural Capital Accounting II: Can Nature's Valuation Save the Planet?	Lijsterbes		15b. The Production and use of citizen science and academic knowledge in political grassroots movements II	Boomgaardzaal			
	10. Film screening: Poachers' Moon: Light and Darkness in Austral Africa	Meidoornzaal		19. Measuring 'Social Impact' in the Social Sciences	Lijsterbes			
19:00	Conference dinner at Colors	Colors World Food						

## 28 June, keynote lecture, 9:30 – 11:00

**Katherine Gibson**

**Thinking with interdependence: From Economy/Environment to ecological livelihoods**

Room: Bosrandzaal  
Convenors: Robert Fletcher

## 28 June, session 1, 11:30 – 13:00

### 1a. Valuing Life I: More-than-Human Labor, Vibrancy of Matter and Value

Room: Bosrandzaal  
Convenors: Heidi Hausermann (chair)

Maan Burua Generating value from nonhuman life: charisma, capital, captivity  
Katharine Legun Biologies/Varieties/ Plant-power: the creative economic work of apples, tomatoes, and hops  
Ursula Lang The life of urban storm water  
Neera Singh Valuing Life: Ethics of Care and Conservation

### 2. On State and Non-State Territorialization in Forest Reserve

Room: Arboretum  
Convenors: Nadya Karimasari

Josie Chambers Exploring a landscape of conservation governance strategies in Peru  
Nadya Karimasari Reverse territorialisation: from land to labour enclosure in Indonesian protected areas  
Danya Kiernan Attaining Power through Spatial Territorialization: A Case Study of Boundary Making, Conservation NGOs, and Legal Activism in Indonesia's Leuser Ecosystem  
Yance Arizona Dilemma of legalising adat territory through lawmaking process at the district level in Indonesia

### 3. Health, justice and inequality

Room: Boomgaardzaal  
Convenors: Meghann Ormond

Ju-chen Chen Wishing Well: Aspirations of Filipino Domestic Workers in Hong Kong  
Beatrijs Haverkamp & Tjidde Tempels Socioeconomic inequalities in health: structural injustice?  
Hannah LeBlanc Home Economists, Doctors, and the Hungry: The Politics of Authority in Postwar Nutrition Research  
Sarah O'Sullivan The Moral Ambiguity of "Vulnerability" and Aid Allocation among Beneficiaries in Northern Uganda

### 4a. Valuing the Environment I

Room: Meidoornzaal  
Convenors: Bram Büscher

Alberto Morales Scales and Becomings of Marine Biodiversity  
Jenny Goldstein In/visible value and the politics of satellite-based environmental monitoring in Southeast Asia  
Madhuri Ramesh "There's no such thing as a turtle expert": Technologies of rule in wildlife conservation

### 5. Value, Violence and Visibility

Room: Lijsterbes  
Convenors: Rene van der Duim

Jonny Bunning The Value of Critique: Irony, Activism, and the Life of Capitalism  
Emily Gilbert Geopolitics, Violence, and the Value of Life  
Yaffa Truelove Disrupted Waters: The Uneven Hydro-Social Geographies and Infrastructural Violence of Delhi's 2016 Water Crisis  
Niels van Doorn On Value and Visibility: The (de)valuation of life-sustaining labor in the on-demand economy

## 28 June, session 2, 14:00 – 15:30

### 1b. Valuing Life II: Lively Encounters, Ethics of Care and Value Regimes

Room:	Bosrandzaal
Convenors:	Cecilie Vindal Ødegaard (chair)    Marc Brightman (discussant)
João Alfonso Baptista	Body Land
Olivia Angé	The value of lively potato in the Peruvian Highlands
Elise Demeulenaere	Farmer Seed Networks in France: from communities of practices to matters of care
Josh Fisher	A Crisis of Urban Wildness? On the Value(s) of Living Well in Nicaragua

### 6. Life and value as seen in community attempts to pursue environmental challenges

Room:	Arboretum
Convenors:	Gerald Taylor Aiken
Elliot Meador	Local assets, local decisions and community resilience: What does success look like in rural Scotland?
Margaret Tingey	Measurement, stakes, and implications in the valuing of the benefits of decentralised energy systems
Gerald Taylor Aiken	Measuring Nature in Community Transitions: Permaculture, Modeling and Truth

### 4b. Valuing the Environment I

Room:	Meidoornzaal
Convenors:	Bram Büscher
Tarmo Pikner	Cosmopolitics entangled to environmental legacies and foresight: Paldiski's coastal terrain
Chris Büscher	Business models for sanitation in development: On the contradictions between use and exchange value of waste
Camille Reyniers	Bargaining the Reference Emission Level of the Democratic Republic of Congo: The case study of the Emission Reduction Program in Mai Ndombe province

### 7a. Diverse economies I: the development of new social practices

Room:	Boomgaardzaal
Convenors:	Joost Jongerden
Flora Sonkin	Municipal Goats: Exploring Agroecological Place-Shaping and Multiple Ruralities in Sierra de Guadarrama
Camille Bruneau	Negotiating a real utopia: The ZAD of Notre-Dame-des-Landes
Sungwoong Jung	Place reconstruction in-between the urban and the rural: Virtualizing Rurban over Spatial Intimacy
Anke de Vrieze & Dirk Roep	Transformative capacity of sustainable place-shaping practices

### 8a. Natural Capital Accounting I: Can Nature's Valuation Save the Planet?

Room:	Lijsterbes
Convenors:	Robert Fletcher    Sian Sullivan
Sian Sullivan	Bonding nature? Exploring new natural capital frontiers in conservation finance
Felipe Bucci Ancapi	Ecosystem Services: an analysis of its ethical implications, in natural conservation
Naomi Milner	More than natural capital? Commoning and community forestry management in the Maya Biosphere Reserve, Guatemala
Ken MacDonald	Fields of green: Corporate sustainability and the production of economic environmental governance

## 28 June, session 3, 16:00 – 17:30

### 1c. Valuing Life III: Lively Encounters, Ethics of Care and Affective Emergences

Room: Bosrandzaal

Convenors: Elise Demeulenaere (chair)

Hannah Pitt Questioning the ethical value of connecting through encounters with more-than-humans  
 Juan Javier Rivera The music of a living temple: Indigenous historical co-becomings in an extractivist context (Cañaris, Peru)  
 Andía  
 Columba Gonzalez Co-becomings: producing knowledge with a migratory butterfly  
 Heidi Hausermann Buruli ulcer treatment assemblages and encounters of care in rural Ghana

### 9. Data, Value and Life: New ways of measuring progress and prosperity

Room: Arboretum

Convenors: Dan Brockington

Crelis Rammelt You can't eat money: the consequences of a financial view of development  
 Barbara Tielemans The Neverending Story of the North-South Divide: How Bordering serves to Perpetuate the Illusion of Progress  
 David de Witte Happiness, capabilities and self-possession  
 Jesse Montes Gross National Happiness: An Imaginary for Development and Governance  
 Dan Brockington Economic Growth, Rural Assets and Prosperity

### 7b. Diverse economies II: food and rural development

Room: Boomgaardzaal

Convenors: Shuji Hisano

Seth de Vlieger The People Left Behind: The Agricultural Sector and Farmers in the Context of Dutch Depopulation and its Policy  
 Anom Sigit Suryawan Reconstructing meanings and practices of halal: the politics of the new state-led halal standards in Indonesia  
 Heriberto Ruiz Tafoya Political economy of corporate packaged food: A study of packpreneurs in Metro-Manila' slums  
 Zulfa Utami Adiputri Local Actors in Global Non-state Multi Stakeholder Governance System

### 8b. Natural Capital Accounting II: Can Nature's Valuation Save the Planet?

Room: Lijsterbes

Convenors: Robert Fletcher Sian Sullivan

Robert Fletcher & Wolfram Dressler The Optimal Native: Making and Unmaking (Natural) Capital in Ruptured Landscapes  
 Peter Wilshusen Imagining Value: The Political Performativity of Natural Capital in Neoliberal Conservation  
 Mike Hannis Hunting Natural Capital? Economics, Ethics and the Reinvention of the Black Rhinoceros

### 10. Film screening: Poachers' Moon: Light and Darkness in Austral Africa

Room: Meidoornzaal

Convenors: Jeremie Brugidou

Film screening.

## 29 June, keynote lecture, 9:30 – 11:00

**Annemarie Mol**

**Valuing here or there: the pertinence of *where* questions**

Room: Bosrandzaal  
Convenors: Meghann Ormond

## 29 June, session 4, 11:30 – 13:00

### 1d. Valuing Life IV: Earthly flows of life, Resistance and Relationality

Room: Bosrandzaal  
Convenors: Josh Fisher (chair) Alberto Arce (discussant)

Jonathan DeVore Land as a Second Mother: Estrangement, Care, and the Re-Enchantment of Nature  
Cecilie Vindal Vital relations, land and labor in urban Peru  
Ødegaard  
Stephanie Postar Forest histories and nuclear futures: mapping value and landscape change in southern Tanzania  
James Stinson "The National Park is a Tzuultaq'a": Q'eqchi' Maya Environmentalities and the Politics of Translation in Southern Belize

### 11. Urban Matter(s): the Non-Human Life in the Cities

Room: Boomgaardzaal  
Convenors: Elisa Farinacci Valentina Gamberi Nimrod Luz (discussant)

Elisa Farinacci Living in a Walled City: The Ethnographic Case Study of Palestinian Christians in Bethlehem and Beit Jala  
Valentina Gamberi Urban Religiouscape: Material Contributions  
Ivan Severi Developing Arcosanti: the city like an organism  
Orit Hirsch-Matsioulas, Leash in the City: Dog-Leash-Human Entanglements and the Urban Space  
Yaara Sadetzki-Vered  
Nimrod Luz Holding the city in our hands: reflections in the material turn and the explanatory power of urban ethnography

### 12a. Caring for a 'good' life? I

Room: Arboretum  
Convenors: Meghann Ormond

Pieterneel Cremers Setting the scene: Identifying the contours of the Dutch disability tourism market and determining its value  
Lette Hogeling & Unravelling health promoting mechanisms using a realist approach to evaluation  
Lenneke Vaandrager  
Meghann Ormond 'Constructing health care-related 'deservingness' in a neoliberal, entrepreneurial state: (Re)producing 'desirable', 'acceptable', and 'disposable' migrants in Malaysia  
Hasan Ashraf The politics of infrastructure in Dhaka: which life matters?

### 13a. The Politics of Plants and Animals I

Room: Meidoornzaal  
Convenors: Clemens Driessen

Barbara Bossak-Herbst Human-animal cohabitation in the historic settlement at the back of Racetrack Sluzewiec in the capital of Poland  
Kieran O'Mahony  
Zulkhairi Azizi Zainal Catching up with wild-life- the contested politics of managing reintroduced boar in the UK  
Abidin Structure And Predictive Validity Of Human Emotions To Animals  
Charles Mather Newfoundland's Atlantic salmon: 'too valuable to be caught only once'?

### 14a. Questions of Measurement and Value I

Room: Lijsterbes  
Convenors: Chris Sandbrook

Thomas Franssen & 'Getting people in the loop': on valuing life in living labs  
Mandy de Wilde  
Patrick Bresnihan Optimizing Water Services: Environmental Accounting, Water Pricing and Politics in Ireland's Water Sector  
Kat Austen Multiple Knowledges and Redefinition of the Self in the Environment  
Tom O'Dea Self-tracking devices, datafied bodes and algorithmic governance

## 29 June, session 5, 14:00 – 15:30

### 1e. Valuing Life V: Threatened Life, Affective Emergences and Care-full Futures

Room:	Bosrandzaal
Convenors:	Jennifer Lee Johnson (chair)
Sue Ruddick	Extant/extinction
John Moran	Precious Bycatch: The Cultural Impact of Biological Specimen Collection on Florida's Forgotten Coast
Alder Keleman	Affect and Appropriation: Memory and Ethnic Identity in Native Food "Rescue" Movements in the Bolivian Andes
Annet Pauwelussen	Amphibious men, leaking bodies: affective encounter of illegal fishing in Indonesia
Jennifer Lee Johnson	Same as it Never Was: Enkeje, Haplochromines, or Just Trash

### 12b. Caring for a 'good' life? II

Room:	Arboretum
Convenors:	Meghann Ormond
Hilje van der Horst	Food banks: contesting value in practice
Trista Chih-Chen Lin	'Just' motherhood? — The gender, sexual and (re)productive politics in a residential care center for young mothers' wellbeing and development
Peter Lindner	Ethopolitics, Wearables and the Nudge Revolution
Stefan Wahlen	Meat and masculinities in the moral household economy

### 13b. The politics of plants and animals II - valuing other lives – Roundtable

Room:	Meidoornzaal
Convenors:	Clemens Driessen    Maite Hernando Aresse

Roundtable with Maite Hernando Aresse, Gerard Verschoor, Alberto Arce, Clemens Driessen, Maan Barua

### 14b. Questions of Measurement and Value II

Room:	Lijsterbes
Convenors:	Chris Sandbrook
Jeroen Nawijn	The Effect of Perceived Authenticity on Meaning in Life: The case of Dutch Concentration Camp Memorials
Chris Sandbrook & Rogelio Luque-Lora	The social lives of camera traps: exploring conflict between ecological research and human activity
Sarah Drury	Measuring Life is a Settler Colonial Project: Alternative Methodologies for Measuring Precarious Lives
Francisca Grommé	Configuring contemporary European (post-)colonial relations through official statistics: The case of the Caribbean Netherlands

### 15a. The Production and use of citizen science and academic knowledge in political grassroots movements I

Room:	Boomgaardzaal
Convenors:	Elisabet Rasch    Tord Austdal (discussant)
Monique Nuijten & Maritza Bode-Bakker	The role of 'messy knowledge' in protracted power struggles. The fight of citizens against house evictions in Spain
Stine Krøijer	Translation and Leaky Theories: More-than-Human Politics and Wild Anthropology among Radical Environmental Activists in the Rhineland

## 29 June, session 6, 16:00 – 17:30

### 16. Value in the Urban Sphere

Room: Arboretum  
 Convenors: Pieter de Vries

Robert Coates Disaster eventfulness and the protection of vulnerable life in urban Brazil  
 Ana Aceska Lost in translation: the concept of the good city in the post-war urban regeneration of Bosnia-Herzegovina  
 Sven da Silva Slum politics as a politics of hope in reactionary times: Urban inconsistency, community leaders and the 'part of no part' in Recife, Brazil  
 Pieter de Vries Corruption, Left castration and the Decay of an Urban Popular Movement in Brazil: A Melancholy Story

### 17. Space/time dimensions of value

Room: Meidoornzaal  
 Convenors: Stasja Koot

Valentina Marcheselli The search for life beyond Earth. An ethnographic study of astrobiologists' practices  
 Cherryl Walker Astronomy, development and disparity in South Africa's Karoo region  
 Gilles Marciniak The lived experience of a predicted future: a phenomenological approach to climate change predictions  
 Serge Cogels Improving the livelihoods of people impacted by extractive projects in Central Africa: effectiveness and limits of SE indicators used to monitor quality of life

### 18. Conflict Conservation Cinema

Room: Bosrandzaal  
 Convenors: Lisa Trogisch

Film screening and panel discussion

### 15b. The Production and use of citizen science and academic knowledge in political grassroots movements II

Room: Boomgaardzaal  
 Convenors: Monique Nuijten Heath Cabot (discussant)

Søren Brofeldt, Does monitoring matter? Quality and impact of community-led monitoring in Prey Lang, Cambodia  
 Nerea Turreira-Garcia & Dimitris Argyriou  
 Nerea Turreira-Garcia, Who wants to save the forest? Characterising community-led monitoring in Prey Lang, Cambodia  
 Søren Brofeldt & Dimitris Argyriou  
 Andrew D. Spiegel When the shit keeps flying: Challenging the statistics of global and local authority sanitation goal assessment in light of ethnographies of experience in selected informal settlements in Cape Town, South Africa

### 19. Measuring 'Social Impact' in Academia

Room: Lijsterbes  
 Convenors: Robert Fletcher Meghann Ormond

Roundtable with Bram Büscher, Robert Fletcher, Meghann Ormond, Scott Prudham, Han Wiskerke.

## 30 June, session 7, 9:30 – 11:00

### 20a. Valuing wellbeing I: practices of wellbeing within and beyond neoliberal financialisation

Room: Bosrandzaal  
Convenors: Karolina Doughty

Eva Hilberg A global perspective on the quantified selves of technology-enabled mental health  
Kriti Kapila A Life Worth Saving: Hierarchies of Value in Health Emergencies in India  
Georgette Morris Live in Caregiver program: The Jamaican Canadian Experience 1973  
Wayne Medford Assembling Potential Healing Experiences in Public Space: A Breastfeeding Initiation Campaign in a Northern English Town

### 21a. Whose Heritages Matter? I

Room: Lijsterbes  
Convenors: Meghann Ormond Karin Peters

Rob van der Vaart Cultural and historical canon of the Netherlands: The deliberation process  
Laura Boerhout (Countering) categories of difference on the wars in Yugoslavia in the Dutch Canon  
Marijke van Fassen Rooted in Two Countries? Migrant Heritage, Emplacement and the 'Canon van Nederland'

### 15c. The Production and use of citizen science and academic knowledge in political grassroots movements III

Room: Boomgaardzaal  
Convenors: Monique Nuijten

Public Plenary Discussion with Key Activists: The Relevance of Development Studies for current Activism. With Katherine Gibson, Jens Lund, Lynn van Leerzem, Gemma van der Haar, Elisabet Rasch.

### 22. Towards Resilient Tourism Destinations

Room: Meidoornzaal  
Convenors: Rene van der Duim

Bas Amelung Resilience in tourism studies: a state of the art  
Esther Gitonga Climate change and safari tourism  
Machiel Lamers Resilience and polar marine mobilities

### 23. Materializing Value

Room: Arboretum  
Convenors: Bram Büscher

Nathan Wittock Spatialities of Blood: How to Make Sense of a Messy Object?  
Alexandra Rijke Checkpoint 300: Precarious checkpoint geographies and rights/rites of passage in the Occupied Palestinian Territories  
Ágota Ábrán Valuing plants as healers in Romania

## 30 June, session 8, 11:30 – 13:00

### 20b. Valuing wellbeing II: practices of wellbeing within and beyond neoliberal financialisation

Room:	Bosrandzaal
Convenors:	Karolina Doughty
Charles Dannreuther	Towards an IPE of Touch
Sarah Atkinson	Wellbeing and the Wild, Blue 21st Century Citizen
Karolina Doughty	Cultures of health and water
Hannah Denton	Mental health and sea swimming

### 21b. Whose Heritages Matter? II

Room:	Lijsterbes
Convenors:	Meghann Ormond Karin Peters
Dilek Karaağaçlı	Refugee histories matter
Roel During	The politics of linking, bridging and bonding heritage
Kristine Racina & Sarah Bringham	Expatriate Archive Centre
Monica Perez Vega,	Hiraeth
Xenia Bordukowa	
Pattberg & Rowena Dring	

### 15d. The Production and use of citizen science and academic knowledge in political grassroots movements IV

Room:	Boomgaardzaal
Convenors:	Stine Krøijer Jens Lund (discussant)
Dik Roth & Madeline Winnubst	On the safe side? Better safe than sorry? Knowledge claims, local protest and the complex entanglements around a river bypass
Michiel Kohne & Elisabet Rasch	Politics of knowledge, politics of fracking
Hylke Hekkenberg	Against gas, in favour of renewable energy

### 24. Tourism and Degrowth

Room:	Meidoornzaal
Convenors:	Robert Fletcher Macià Blázquez-Salom Ivan Murray Mas
Ivan Murray Mas	The right to metabolism. A cornerstone of the tourism degrowth agenda
Macià Blázquez-Salom & Asunción Blanco-Romero	Contradictions within tourism regulation and the institutional framework affecting the transition towards degrowth
Jolanda Iserlohn	Degrowth and tourism in Barcelona
Enrique Navarro	Growth machine in mature tourist destination. Costa del sol metropolitan zone (Málaga)

### 25. Challenging the Quantification of Life from Below

Room:	Arboretum
Convenors:	Jurre Zwart

Session with OtherWise, a living lab for life where students and professionals exchange their ideals, knowledge, experiences and ambitions

## 30 June, session 9, 14:00 – 15:30

### 26. Valuing Everyday Practices and Unseen Spaces

Room: Meidoornzaal  
Convenors: Esther Veen

Jessica de Koning Studying unseen, shadowy places – consideration for studying institutions  
Esther Veen & Marianne Dagevos The value of mundane aspects and daily concerns in diverse economic activities  
Chizu Sato Toward a postcapitalist politics of commoning in feminist political ecology  
Edwin Schmitt Xiaokang Lifestyle: A Mixed Methods Approach to Understanding Themes and Implications for Rural Living within a Chinese Discourse of Economic Development

### 15e. The Production and use of citizen science and academic knowledge in political grassroots movements V

Room: Boomgaardzaal  
Convenors: Michiel Köhne Stine Krøijer (discussant)

Tord Austdal Not Playing Indians: Skills, Body, and Knowledge in the US Primitivist Movement  
Saskia van Drunen Exploring the potential of academic knowledge for action-oriented research on multinational corporations  
Lynn van Leerzem, Bruno Lauteslager & Merel Stoop Teaching and learning about alternative economic thinking

### 27. The Value of Wildlife

Room: Arboretum  
Convenors: Stasja Koot Bram Büscher

Bram Büscher Exploiting Extinction? Charismatic species decline and the privatisation of nature in Africa  
Emile Schmidt The 'War on Rhino Poaching': Conservation as Pacification  
Stasja Koot The value of living in Hoedspruit: White belonging to nature in post-apartheid South Africa  
Marlies Huijssoon Instrumentalizing gender in the South African anti-poaching field: a study of the Black Mamba Anti-Poaching Unit

### 28. The Value of Food

Room: Lijsterbes  
Convenors: Han Wiskerke

Ceren Gamze Yaşar Food and Shelter: The interrelated policies of urban growth and agricultural production in Turkey  
Lucie Sovová Leisure gardening or subsistence agriculture? The social and the economic of growing your own  
Shiela Chikulo Vendors and Vendettas: Space and Policy Contestations in Fresh Fruit and Vegetable Vending for Survival in Harare, Zimbabwe  
Paul Hebinck & Lothar Smith Adrift in a post-post-Apartheid landscape: The quest for secure livelihoods, meaningful lives and an identity in the rural-urban continuum

### 29. The vitality of food in Latin America: a book launch

Room: Bosrandzaal  
Convenors: Alberto Arce Gustavo Blanco Stephen Sherwood

Launch of the book "Food, Agriculture and Social Change The Everyday Vitality of Latin America".

## 30 June, plenary session, 16:00 – 17:30

### Plenary closing session: Mole ethnography

Room: Bosrandzaal  
Convenors: Dan Brockington Robert Fletcher
